

# Collector Vehicle

Whether it's for a single car or a prized collection, American Modern has one of the most inclusive programs on the market.

We define "collector vehicle" broadly: muscle cars and antiques, classics and newer exotics, street rods and customs, even kit cars. When we say "vehicle," we're not just talking about cars, either. We'll write other collectibles such as motorcycles, military vehicles, tractors, fire engines and vintage race vehicles.

## Features

## Highlights

Agreed value

We'll work with your customer to determine how much the vehicle is worth, and insure it for that amount.

Four mileage plan options

Customers can select from the following annual mileage plan options: 1,000, 3,000, 6000 or unlimited miles. Unused miles can be rolled over into the next year.

Single liability rate

Most standard auto policies charge liability for each vehicle on the policy. We charge one flat rate, regardless of the number of cars on the policy.

Towing

We include \$75 to cover towing costs, at no additional charge. Towing can be expanded to \$200 by enrolling the insured into our Nationwide Roadside Assistance program.

Nationwide Roadside Assistance program

This option keeps your customer covered every mile, to any destination, 24 hours a day, seven days a week. It includes guaranteed flat bed towing and a 24/7 toll-free emergency number.

Spare parts

We include \$2,000 for lost or stolen spare parts. Coverage can be increased up to \$10,000.

Full safety glass

With this option, if windshield or window damage requires its replacement, and there is no other damage to the vehicle, we waive the deductible.

Broad usage allowances

It's a nice day and your customer wants to take the vehicle for a spin. We won't restrict him from enjoying his passion. We have fewer usage restrictions than most companies, including the occasional to and from work.

Foreign coverage

This option provides physical damage coverage for the vehicle in transit and while driving overseas.

Additional vehicles

Any new addition to a collection is covered for 30 days up to \$50,000. Our special Collector's endorsement provides higher limits if needed.

Deductible options	\$0 to \$10,000 on all vehicle types.
